

## **ANNOUNCEMENT**

### **2011 Town of Topsfield Business Survey**

#### **YOUR IDEAS COUNT!**

In 2001 The Topsfield Main Street Foundation conducted a survey of Topsfield businesses. In response to residents' suggestions, a number of improvements affecting our downtown were made. These included the benches, barrels, planters and banners, changes to the Sign By-law, the availability of beer and wine licenses in town, and the FedEx box in front of the Post Office.

#### **WHERE DO WE GO FROM HERE?**

This March, the Topsfield Planning Board with the assistance of The Topsfield Main Street Foundation is conducting a follow up survey of town businesses. Your responses will help with planning future improvements for the downtown and business districts along Route 1. Please share your opinions and ideas with us.

This survey will be mailed to businesses in Topsfield and will be available online until March 31<sup>st</sup>, 2011.

Information about the survey will be posted on the Town Website [www.topsfield-ma.gov](http://www.topsfield-ma.gov), the Topsfield Main Street Foundation website [www.topsfieldmainstreet.org](http://www.topsfieldmainstreet.org) and on the local Cable Station.
